Choice of subjects:

Please read carefully the information below before choosing your subjects.

- You are required to take six subjects; one from each of the groups 1-5 below, and as the 6th subject, you may choose another subject from groups 1,2,3 or 4.
- Three subjects must be taken at higher level (HL) and three at standard level (SL).
- You can choose a maximum of 4 subjects at higher level and a minimum of two subjects at standard level.
- You can replace a language B with a second language A.
- You can choose either Physics or Biology
- You can choose either Spanish B, German B or French B
- The school reserves the right to cancel a subject if there are insufficient numbers to make a group.

- New requirements for Norwegian universities: To study at Norwegian universities, you need either Norwegian A HL/SL or Norwegian B HL
- We are considering Psychology SL as a new subject if we have a sufficient number of students. You can choose that as your Group 3 subject or as one of two Group 3 subjects.
- Mathematics:
 Applications and interpretations (AI): Emphasis on applications and solving problems with use of technology
 Analysis and approaches (AA): More theoretical and abstract. Recommended for physicists, chemists, and engineers.

Please tick the appropriate line.
